

You'll lay your head here when you're about to count sheep.

It's often the last thing you see before sleep.

A clue to find where you keep things cold,
where to go next is what you'll be told.

It'll give you a boost when you're trying to stand
to look in the mirror or wash your hands.

A place where water falls down like rain.
After rinsing your hair it goes down the drain.

Every morning for breakfast you grab a bag,
And, if you were a dog, it would make your tail wag.

When you get a cut or two,
where does Mommy get a bandage for you?

A couple more places for you to look.

Go to where you keep your books!

You'll find a clue with tools used to eat.
Hurry now, your hunt is almost complete.

I hope you have liked all of these clues.

Now go to where you keep your shoes!
