# Board Game

## Set Up:

- Assemble the board according to the diagram below
- Every player chooses three Tsum Tsum figures to form a team (one small, one medium, and one big)
- Places the cards face down on the Challenge Cards section
- Every player places their big character on the start

## Game Play:

- Roll the dice and move along the path the number of spaces
- If you encounter an alternate path, you can only take it if your character fits on it.
- Special Spaces:
  - Change Size – swap your character for a different character on your team
  - Take a Card – take a card from the pile, read it aloud, and then answer the question or follow the instructions
- First player to reach a “Finish” space wins
